

SOUTHERN NH RESOURCE CONSERVATION & DEVELOPMENT AREA COUNCIL, INC.

NH FARM ENERGY INITIATIVE • ENERGY AUDIT APPLICATION

Thank you for your interest in our program. We look forward to working with you toward reducing energy consumption and finding cost savings on your farm!

In 2010, Southern NH RC&D has funds to provide 25 energy audits which will be done in two rounds. With limited audits, this is a competitive process and a committee will be reviewing your application. If your farm is selected for funding, you will be required to make a reimbursable deposit of \$100.00. This amount will be returned to you upon completion of the audit process. Please contact us with any questions. The application deadline for the first round is *January 29, 2010*; the deadline for the second round is *March 31, 2010*.

Your application must be e-mailed or postmarked by January 29, 2010 in order to qualify for review in the first round or March 31, 2010 in order to qualify for review in the second round. Completed applications may be returned via e-mail to: nhfarmenergy@gmail.com or via US Mail to: SNHRC&D, 10 Ferry Street, Suite 422, Concord, NH 03301.
